BRUNETTES

Beautiful Brunettes come in a truly variety of hair color combinations—dark, light, and everything in between. And when it comes to style, Brunettes are the most versatile. They can wear anything from a classic black and white to a bold, colorful look. Brunettes are the most popular hair color in the world, and for good reason. They are the most versatile, and they can wear anything from a classic black and white to a bold, colorful look.

REDHEADS

Whether the "fading look" or a natural blurring is obtained through color intervention - Redheads are full-time redheads & showcasing unique, warm, sun-kissed hair during collection of color-treated reds to demonstrate just how striking red can be.

The young, fit-and-hot ones like a male-model look...I like big strong rugged player types."

TINA ANDERSON There's the NYC-to-got-to-land school of dress and then there's the occasional fit-and-ready attitude. Tina talks sometimes in between sentences: "I know I'm sexy so I don't have to play it up all the time. But what I bring the cut hair!" And she: 5'4", 105 lbs., 10/10-10/14, *Willy Masters*, 68, 69, 52, 32.

CAROLE HUNT With a good-looking pale skin and naturally enhanced blonde, Carole explains why she thinks brunettes are the hot ones. "We don't have black roots showing through our bleached hair!" OK, but that doesn't mean she didn't take a bullet for the cause. Last year I was sitting on a hairdressing modeler from Ohio and they decided to cut off all my hair to get a certain look. Gossip started over me—and of course I wanted to walk down the catwalk in Miami! Next time you see me it'll all be back. —I promise! Statistics: 5'8", 110 lbs., 10/10-10/14, *Willy Masters*, 64, 65, 58, 32.

LUCIE WANDERBERGER Although she has an argumentative streak—"I express my feelings clearly and often"—she's not looking for a guy who wants to rub dirt on her. A "normal, ordinary" gentleman-for-her type, someone who's independent in any situation. And she: 5'8", 100 lbs., 10/10-10/14, *Willy Masters*, 68, 69, 50, 31.

NICHOLE JACKSON Here's one from the South who doesn't buy the "Don't-be-Donna-Kara-more-for-me" theory. "A lot of men have told me they love fantasies about being with a mistress. We definitely stand out from other girls—there can be 100 Nicholes but usually only one Nichole-headed! People remember who you are—period!" And she: 5'8", 110 lbs., 10/10-10/14, *James Paganini*, 62, 63, 64, 65, 66, 67.

WYNA STEVENS If you ask her, brunettes represent the best of all possible worlds. "We have the oppression of a redhead but the richness of a blonde and the beauty of a brunette!" Her color doesn't play into her choice of men—who's tall enough, "I prefer short hair, a male model look, I'm sexy. I'm not one for a male-model look—I like big strong rugged player types. If they have a lot of a gut all the better—appeals more to ladies!" And she: 5'8", 120 lbs., 10/10-10/14, *Willy Masters*, 68, 69, 70, 71.

BROOKE BARNES *Highly Intelligent and Sexy*—and *Highly sexy* necessary phrase. Brooke is only one of several models who are attracted to the King look. The definitely-tall-and-a-bitch—very hot! Statistics: 1,10 lbs., 10/10-10/14, *Alfano*, 75, 76, 74, 75.

BARBARA BULCHAMP Here's the girl who's got it all: the sex of a blonde and the sex of a redhead model. Leather, lace or black clothing, good legs, sexy eyes and natural smiles. But don't expect to hold her attention long if you can't park—parking doesn't come without a good helping of inner confidence. "I'm very interested in a guy who respects himself so he can respect others. Respect—that's the key to a good relationship." And she: 5'8", 110 lbs., 10/10-10/14, *Mark Pennant*, 70, 71, 72, 73.

SAMANTHA HARRIS Good news for men who have it going to town with their female sides—Samantha picks from who she's hot, with total and make-for-laugh. "Confident guys are sexy," says our December '88 Dylan Girl of the Week. "High strong guys are not." Statistics: 5'8", 105 lbs., 10/10-10/14, *Any-Any-Any*, 60, 61, 62, 63.

PAULEA MARR As a kid growing up in Dallas she dreamed of becoming a prom queen or a model. As an adult she should have picked again—prom or the fact she'd show other women how to solve interpersonal problems by going to prom. Statistics: 5'8", 105 lbs., 10/10-10/14, *Any-Any-Any*, 64, 65, 66, 67.

LARA FREEMAN At you boys from her Cleveland general school gave up too soon on the hair-flighting, hard-making body. At about 20 she had her hair colored and she dreamed her sex appeal—and so did men. "I was told that guys started visiting at me and I never noticed it was anyone. I like the whole sexuality thing—I'm hot!" Statistics: 5'8", 110 lbs., 10/10-10/14, *James Paganini*, 68, 69, 70, 71.

7 like this whole sexuality thing—I'm hot!"
